AKASH KUMAR

Ph: +91 76543 53326 | theakash.bussiness07@gmail.com | linkedin.com/in/akash | github.com/theakash07

PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in **SQL**, **data analysis and modelling**, **dashboard design and report development**, and **object-oriented programming**. Proven ability to lead technology product development, manage cross-functional teams, and deliver service engagements on schedule. Keen to adopt disruptive technologies and contribute to product development in areas of **valuations, mergers and acquisitions, and transaction advisory** services.

EDUCATION

Bachelor of Engineering in Computer Science *CGPA: 7.0 / 10.0*

Chandigarh University, Punjab Jul 2022 – May 2026

Relevant coursework: Database Management Systems, Object-Oriented Programming, Data Structures & Algorithms, Software Engineering, Business Analytics

TECHNICAL SKILLS

Programming & OOP: C, C++, Python (Pandas, NumPy, Scikit-learn) — object-oriented programming applied in academic and real-world projects

Database & SQL: SQL (queries, joins, aggregations, subqueries), relational database concepts, data modelling

Data Analysis & Modelling: Microsoft Excel (advanced), exploratory data analysis, data wrangling; Alteryx (familiar)

Dashboard & Report Development: Tableau, Power BI — dashboard design, KPI visualisation, interactive visual insights for stakeholders

Productivity & Collaboration: Google Workspace, Agile methodology, SDLC fundamentals

EXPERIENCE

Co-Founder & Product Lead *Dec 2023 – Apr 2024*

Confess — Voice-based Well-being Technology Platform Remote

- Co-founded and developed a **voice-based mental well-being platform**, leveraging **OOP principles** to build a scalable **MVP** ahead of schedule while driving **1,000+ user interactions** within **3 months** through user persona mapping and data analysis.
- Led an **Agile team of 5–10 developers**, managing **feature releases**, task execution, and product delivery under tight deadlines.

Head of Innovation *Aug 2024 – Dec 2024*

RoboClub, Chandigarh University Chandigarh, India

- Managed the **product design** and **prototype development pipeline**, transforming technical concepts into **patent-ready solutions** while mentoring student engineers on **innovation methodologies** and **hardware integration**.
- Led **IPR reviews** and successfully filed **2 product patents** within a **4-month cycle**, improving the **idea-to-prototype conversion rate** by **30%**.

General Secretary *Sep 2024 – Oct 2024*

ISTE Student Chapter, Chandigarh University Chandigarh, India

- Coordinated **5+ technical events and workshops**, increasing **student participation by 25%** through structured outreach and effective event management.
- Streamlined **documentation workflows** and introduced **data-driven feedback systems**, reducing administrative delays by **40%** and improving **member retention by 15%**.

KEY PROJECTS

Interactive BI Dashboard Suite *Academic & Self-initiated*

- Designed and built interactive **dashboards** in Tableau and Power BI applying **dashboard design and report development** best practices to produce **visual insights** for non-technical audiences.
- Used **SQL** queries and advanced **Excel** for underlying **data analysis and modelling**, ensuring accuracy and **attention to detail** in every deliverable.

PATENTS, PUBLICATIONS & CERTIFICATIONS

- **Patents (2024–25):** Filed 7+ patent applications spanning safety devices, assistive technologies, IoT frameworks, and drone solutions.
- **Professional Certifications:** Google Data Analytics Certificate | Microsoft Power BI Data Analyst Certificate | Microsoft Excel Professional Certificate.
